

NEW LEADERS

MANIFESTO

WE ARE NEW LEADERS. THIS IS OUR TIME.

We are here to serve mankind.

We are here to change the world and to empower.

We are here to be big. To inspire and be brave.

WE ARE HERE FOR YOU.

We love to connect. We love to share what we've learned.

And even though we don't have all the answers, we are wise.

We honour your wisdom. We honour your light.

We see the highest in you and embrace what you bring.

WE ARE BRAVE.

We are not afraid of our power. We are not afraid of our dreams.

We are not scared to be seen. Or to be heard.

We don't shy away from our emotions – and we know they will pass.

We make mistake, we are only human. And we inspire through that.

WE CREATE WHAT WE WANT.

We have what we need.

We seek no recognition from others, because we validate ourselves.

We take full ownership of our story and we know we're enough.

WE BRING LIGHT TO THE ROOM.

We interconnect and our presence is strong.

We combine body and mind and find wisdom in both.

We connect with ourselves while connecting with you and interact with congruency and lightheartedness.

WE ARE PRESENT FOR YOU.

We listen deeply and sense more than you say.

We are not afraid of your emotions. We are not afraid of your strength.

We invite you to hold nothing back – and neither do we.

WE ARE NEW LEADERS. WE ARE A NEW FORCE.

AND SO ARE YOU.

The world is much better with you. So share what you know, learn what you need. Bring your message to light. Have the impact you should.

YOU MAKE A DIFFERENCE.

WE HAVE FAITH IN YOU. WE BELIEVE IN YOU.

AND WE HOPE YOU DO TOO.
